SUMMARY

I have strong expertise in Flutter for mobile app development and .NET for backend solutions, with a proven ability to build efficient, user-focused applications that prioritize performance and scalability. I hold a Bachelor of Computer Science, further strengthening my technical foundation.

PROJECTS

ONZE COFFEE
Mobile App   **2024**
- Mobile app that allows the user to order and the coffee to receive the order and notify the user when it's ready.
- Utilized technologies including Dart, Flutter, Supabase, and some packages like BLoC and moyasar for payment.

TUWAIQ GALLERY
Mobile App   **2024**
- Mobile App that allows trainees to upload their projects and helps Tuwaiq Academy to track their projects.
- Utilized technologies including Dart, Flutter, Supabase, and some packages like BLoC and Dio for API requests.

FAMILY WALLET
University Graduation Project   **2024**
- Developed a blockchain-based Flutter application that allows parents to create cryptocurrency wallets for transactions, provides charts to track spending, and facilitates family money management.
- Utilized technologies including Solidity, Dart, JavaScript, Truffle, Flutter, Infura, and Supabase.

LAP SHOP
Asp.Net Core Website   **2023**
- Implemented core features including user authentication, product catalog and shopping cart.
- Utilized Entity Framework Core for database interactions, ensuring smooth data operations and consistency.

WORK EXPERIENCE

Tuwaiq Academy – Saudi Arabia

Trainee | Mobile and web development using Flutter Bootcamp   **July 2024 – Nov 2024**

Built cross-platform mobile and web apps using Flutter and Dart. Worked on UI design, state management, and API integration. Collaborated in agile teams to deliver projects on time while optimizing performance and user experience.

EDUCATION

Taibah University | Saudi Arabia

Bachelor's in computer science | GPA 4.32/5 with Second Honor Degree.   **2019-2024**

COURSES AND CERTIFICATIONS

Principles of UX/UI Design | Coursera | Apr 2023   JavaScript | IT LEGEND | Jun 2023
Version Control | Coursera | Apr 2023   Web Development with Asp.Net Core | IT LEGEND | Oct 2023
C# Advanced | IT LEGEND | May 2023   McKinsey Forward Program | McKinsey & Company | Apr 2024
Sql Server Database | IT LEGEND | Jun 2023

SKILLS

- **Technical Skills:** Dart, Flutter, C#, .NET Core, SQL, JavaScript, HTML5, CSS3, Git, GitHub.
- **Soft Skills:** Problem Solving, Communication, Time Management, Teamwork, Adaptability.
- **Languages:** Arabic / Native - English / Professional (Standardized Test of English Proficiency - STEP Score: 83).
